Subject:- Sanction for overdraft - Magadi Town Municipal Council - Recommends the -

I have the honour to state that the Town Municipal Council of Magadi has resolved at its meeting held on 31-8-41 that in view of poor financial - condition of the Municipality and its inability to run the ordinary administration owing to the meagre cash balance at its credit Government may be requested to kindly allow an overdraft up to Rs 1 000/- The Town is infected with a - virulent type of Plague in an epidemic form for the last four months Consequently most of the people have left the Town and hence the normal income of the Municipality is reported to have fallen The cash balance at the credit of the Municipality on 31 8 41 is Rs 69-8-9 Against this the Municipality has to meet -- certain urgent payments including the arrears of street lighting charges amounting to Rs 572-12 0 besides the establishment charges I am afraid that unless a small overdraft is allowed the Municipality cannot run its administration I therefore recommend that the sanction of Government may kindly be obtained for an overdraft of Rs 1000/- to this Municipality for a period of 3 months

2 The connected resolution of the Municipal Council and the report of the Amildar President are herein enclosed for favour of reference

Subject- Payment of arrears of
Electric charges -

Sir, With reference to your memo
MB-1170 No MB-1170-81/41-42 dated 21-8-41 forwarding
for necessary action the Communication
received from the Line Inspector, Power and
Light Nagar on the above Subject, I
beg to state that a Similar reference
has been sent to this Office also the
financial Condition of this Municipality
is very bad, particularly during the
current year, owing to the prevalance
of plague in the town including the
hamlets attached to it for the past 2½
months

The Collection of Mohalanfa has become
difficult as the whole town is almost
Vacated and the people are scattered
in Sheds here and there people who could
afford to go to other places have gone to
Bangalore Kumgal Channapatna and
the villages of this taluk for the same
reasons the income, the octroi
octroi, tolls and market fee has completely
fallen During this month it was found
difficult to find money to pay the
establishment charges The closing
balance on 31 8 61 is Rs 69-8-9 The
arrears of mohalanfa still to be recovered
is Rs 7964-2-10 as against a nomal
demand of Rs 10000/- I have issued
notices to all the defaulters including
the Municipal Councillors who are all
in arrears but in most of the cases
service was not possible as the defaulters
were not available Thus the collection
of arrears is not likely to improve till the
plague subsides and the people reoccupy
the town But in the meanwhile, the

Municipality has to meet its Commitments which cannot be postponed These are

1) Electric Charges for 3 months Rs 572-12-0
2) Stationery charges - 32-0-0
3) Medical Contribution about 1000-0-0
4) Medicinal charges supplied to the 7 Dispensary } 217-7-5

As These items have to be paid for immediately and cannot be postponed further I request That the Comptroller may be kindly addressed to allow overdraft to the extent of Rs 1000/- So that the present Situation may be Saved I have enclosed herein an extract of the Resolution of the Municipal Council in this behalf for kind perusal and early orders

I beg to remain
